

INTERNATIONAL CONFERENCE ON MALAY POLYNESIA

“STRENGTHENING YOUTH ENTREPRENEURSHIP ACROSS MALAY POLYNESIA”

This international conference, mainly focused on Malay-Polynesian youths, seeks to chart directions and strategies in understanding a globalised Asia-Pacific Century for the next 20 years (2019-2039). It will highlight young talents; especially relevant in guiding educational planners, job and career providers, policymakers that prepares a world blueprint for present and future generations.

13 & 14 APRIL 2019

BALAI UNGKU AZIZ
UNIVERSITY OF MALAYA
KUALA LUMPUR

This international conference, mainly focused on Malay-Polynesian youths, seeks to chart directions and strategies in understanding a globalised Asia-Pacific Century for the next 20 years (2018-2038). We anticipate cultural activists, thought leaders, scientists and scholars to bring about ideas, perspectives, paradigms and models in coping with this new youth futures.

OBJECTIVES

- To build bridges amongst youths in countries of Malay-Polynesia,
- To understand our common civilizational similarities in culture, language and genetic make-up,
- To exchange ideas in cross-cultural education, institutions and social learning through adopting leadership ways, role models as well as corporate players for personal advancements, and
- To learn and engage in entrepreneurial pursuits and motivational examples that can promote and produce community wealth and wellbeing.

WHO MUST ATTEND

- ◆ Curriculum planners
- ◆ Educational counsellors
- ◆ Scholars and scientists
- ◆ Teachers and academicians
- ◆ Cultural activists
